Hi:

Barbra is home and we are very happy to have her here. She enjoyed her stay in London very much.

Special Trailway buses have been arranged for the Philadelphia concert. The buses will leave from the Port Authority Bus Terminal around 5 PM on August 2nd. There are no reserved seats - first come, first served - buses will load approximately 4:30 PM. Call Trailways in New York for all information - Lo 4-8320.

Tickets for the concerts are going very fast (needless to say) so get yours NOW! We have a few more places for you to get tickets for the Concert in Philadelphia.

Barbra's next album, "Je M'Appelle Barbra", is due for release in September. The album cover was photographed by the world famous photographer Richard Avedon. This is a French-English album which contains the songs that Barbra sang on the EP that was released only in France. In this album she sings French songs in English and in French. In English she sings "Autumn Leaves", "What Now My Love", "Once Upon A Summer Time" and more. In French she sings "Le Mur" and more.

Barbra also has a new single that was released a few weeks ago, "Non C'est Rien" backed with "Le Mur".

After her concerts Barbra is spending a month in the country. Then back to New York to look for a new apartment or house so she can move into larger quarters before the baby is born. Thought you'd like to know that Barbra has tentative names picked for the baby. If it's a boy it will be called Jason Emanuel (Jason because she and Elliott like the name-Emanuel after her father). If it's a girl, they will call her Samantha (because if she is a tomboy they can call her "Sam"; if she is sweet and feminine-"Emmie"; and if she is exotic-the whole name. Whatever, we wish her all the best.

Barbra starts filming "Funny Girl" in New York and Hollywood January or February. No leading man has been chosen as yet. Her next Special will not be until the completion of the movie.

"Je M'Appelle Barbra" will be going out to all the winners of the Membership Drive upon its release. Liz Murray, who won the contest, will receive, in addition to the album, two tickets to the Philadelphia concert plus an additional prize of Barbra's choice.

If you find a renewal card in your envelope, that means your membership has either expired or will expire before the next bulletin comes out. Renewal dues are \$1.25 plus three stamped self-addressed envelopes.

That's it for now. Till next time.....Regards.....ROZ KIND.
